

Bytown Antique & Vintage Show 24 April, 2022

Dear Potential Dealer,

As a result of the overwhelmingly positive responses received, the 47th edition of the Bytown Antique & Vintage Show will be held on Sunday, April 24th, 2022 at the Nepean Sportsplex after a two year delay. The show will be open to the public from 9:00 am to 3:00 pm. Dealers will be admitted at 7:00 am. We have had a small increase from our previous rates to cover additional hall rental and operational costs, however, our show is still a terrific value for dealers. Where else can you rent tables in an excellent venue for only \$50? We hope you can participate!

Enclosed you will find a dealer information sheet and a sales contract application. If you wish to participate in our show, please return the completed contract application with payment to us by April 8th. If you require additional information you may write, call, or e-mail us. We have moved this year into the digital age with Interac transfer payment possible and emailing of a scanned contract application as well. For those who prefer, you may continue with regular mail and paper cheques.

For dealers wishing to participate for the first time, we ask that you enclose with your contract application, a brief summary of the types of items you will be offering at the show. We have limited space available and wish to ensure that we do not venture too far from our goal of offering quality antiques and vintage items at our show. Cheques or Interac transfers will not be deposited until the contract application has been approved.

Thank you in advance for participating in this year's show.

Regards,
